FACULTY:

Latika Kohli is known for her work on strategy, innovation and entrepreneurship. She has over 20 years of experience as an active consultant performing economic, business, and financial consulting services to aspiring entrepreneurs, businesses and governments around the world across various industries via a guided by a step by step vetted and proven, successful process.

She is the Founder of Young Minds, a premier Education Institute, Global partner of Columbia Business School, New York since 2010 in Asia, Middle East and Africa in entrepreneurship, Venture For All.

Her international flair stems from growing up in six countries, born in Budapest, fluent in Spanish, and has been Guatemala's Honorary Ambassador for eleven years. A presidential awardee, for promoting trade between India and Central America, Limca Book of records named her the youngest person to represent a country.

A serial entrepreneur herself, she has successfully launched various ventures in e-commerce, international trade, logistics, education and ventured two apparel fashion brands internationally while mentoring start-ups through their entrepreneurial journey from product viability to investor pitch.

Latika Kohli
Founder & MD of Young Minds

ABOUT US
